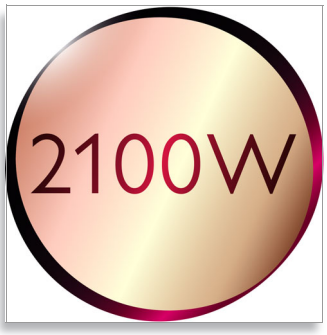
PHILIPS
sense and simplicity

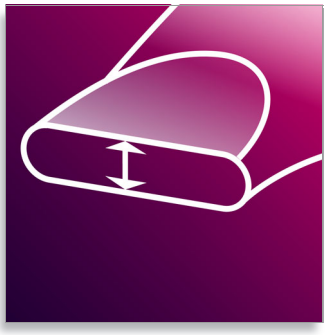
Highlights

Professional 2100 W



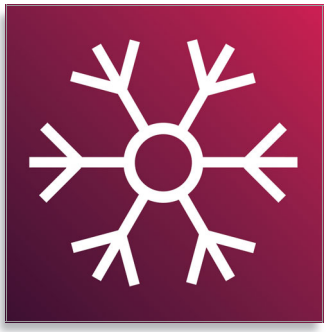
This 2100 W professional hairdryer creates a powerful airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.

Narrow concentrator



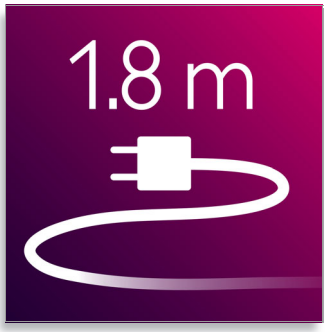
The concentrator works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch-ups or to finish a style.

Cool Shot



A must-have professional function, the Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

1.8 m cord



1.8 m cord for maximum flexibility
